# Jawahar Knowledge Centre

S.Y.T.R. Government UG & PG College Madakasira-515301, Ananthapuramu Dist, A.P.

#### **About JKC in Our Institution:**

- S.Y.T.R. Govt. UG & PG College was established in 14-08-1991 in Madakasira, Anantapuramu dist.
- Jawahar Knowledge Centre (JKC) was established in 2013-2014, Training platform for students for the development of Job Skills.
- 75 Students were trained till 2018-19 and 24 students were selected for various companies from our JKC in campus drives in various institutions.

#### **Introduction of JKC by CCE**

Jawahar Knowledge Centres Established by Commissioner of Collegiate Education during 2005-2006 academic year but in this institution the JKC Centre was introduced during 2013-14 academic year

#### Context

The ever increasing prominence of India on the global map has lead to a growing demand for hard working and talented students good with computer skills, communication skills and industry related skills. The doors of global job market are opened to students who can speak fluently, compute quickly, write legibly and analyze logically. The conventional curriculum offered through B.A., B.Com and B.Sc., courses does not impart requisite skills relevant for dynamic job market especially that of emerging industries like Software and BPO. The Department felt the need to offer training to bridge the skill deficit of students and to enable them seize employment opportunities in job market.

#### Initiative

The Govt. of Andhra Pradesh initiated Jawahar Knowledge Centres (JKC) in Degree Colleges to help students learn and practice employability skills. These centres aim to provide solution to the problem of unemployment faced by students studying nonprofessional courses in Degree Colleges of AP. The ever increasing prominence of India on the global map has lead to a growing demand for hard working and talented students good with computer skills, communication skills and industry related skills. The doors of global job market are opened to students who can speak fluently, compute quickly, write legibly and analyze logically. The conventional curriculum offered through B.A., B.Com and B.Sc., courses does not impart

requisite skills relevant for dynamic job market especially that of emerging industries like Software and BPO. The Department felt the need to offer training to bridge the skill deficit of students and to enable them seize employment opportunities in job market.

# **Objectives**

- To impart requisite skills relevant for dynamic job market and to enable students to seize employment opportunities.
- To provide latest technologies to the students from poor and marginalized sections of the society and to encourage them to compete with their urban counterparts
- To enable the students climb the ladder of success by providing world class infrastructure and experienced faculty
- To help students realize their potential and aim high in life and to motivate students to be creative, independent and self reliant
- To provide SC and ST students with adequate knowledge and employability skills
- To ensure empowerment of girl students by providing job skills
- To conduct Job Fairs & Campus Recruitment drives and to facilitate the placement of students trained in JKCs.
